

▶ Question

▶ Answer 1

▶ Answer 2

▶ Answer 3 is more **important**

▶ Answer 4

▶ Answer 5

- ▶ Question
- ▶ Answer 1
- ▶ Answer 2
- ▶ Answer 3 is more important
- ▶ Answer 4
- ▶ Answer 5

- ▶ Question
- ▶ Answer 1
- ▶ Answer 2
- ▶ Answer 3 is more important
- ▶ Answer 4
- ▶ Answer 5

- ▶ Question
- ▶ Answer 1
- ▶ Answer 2
- ▶ Answer 3 is more **important**
- ▶ Answer 4
- ▶ Answer 5

- ▶ Question
- ▶ Answer 1
- ▶ Answer 2
- ▶ Answer 3 is more **important**
- ▶ Answer 4
- ▶ Answer 5

Develop the ability to use Graph Neural Networks in practical applications

Understand the fundamental properties of Graph Neural Networks

Define Graph Neural Network Architectures

Develop the ability to use Graph Neural Networks in practical applications

Understand the fundamental properties of Graph Neural Networks

Define Graph Neural Network Architectures

Develop the ability to use Graph Neural Networks in practical applications

Understand the fundamental properties of Graph Neural Networks

Define Graph Neural Network Architectures

Develop the ability to use Graph Neural Networks in practical applications

Understand the fundamental properties of Graph Neural Networks

Define Graph Neural Network Architectures

Develop the ability to use Graph Neural Networks in practical applications

Understand the fundamental properties of Graph Neural Networks

Define Graph Neural Network Architectures

Gama-Bruna-Ribeiro, *Stability Properties of Graph Neural Networks*, [arxiv.org/pdf/1905.04497](https://arxiv.org/pdf/1905.04497)
